Multimillion-dollar verdicts and settlements are our trademark.

NAGEL RICE, LLP IS ONE OF NEW JERSEY'S PREMIER TRIAL FIRMS, having the singular distinction of garnering more than \$100 million in settlements and verdicts in both 2007 and 2008. The firm is widely known for handling the most complex and cutting-edge cases; it is currently handling a multibillion-dollar environmental case on behalf of the state of New Jersey and a multibillion-dollar short-selling RICO case on behalf of a public company.

Achieving historic settlements and verdicts is nothing new for Nagel Rice. In its 25-year history, the firm has more than 65 settlements and verdicts in excess of \$1 million, and its high-profile cases have been featured on *60 Minutes*, Court TV and news and print media throughout the country. The firm has a broad range of experience in serious personal injury, class action, business litigation, medical malpractice, wrongful birth/wrongful life, products liability, professional malpractice, environmental litigation and estate litigation.
